G O.No.P.W.156-60 dated 10th July 1944 constituting a Committee for the scrutiny of the applications received from non-Gazetted Government officials for the grant of sites in the Wilson Garden Extension, Bangalore City and for ensuring an equitable distribution of the same among the applicants

2. Correspondence ending with letter No.1747 dated 20th December 1946 from the Chairman, City Improvement Trust Board, Bangalore, requesting orders on the resolution of the Trust Board passed at their meeting held on 24th April 1946 and dated 19th December 1946 for the disposal of the sites available and the six model houses that have been built in the Wilson Garden Extension, Bangalore City

Order No. 12506-11/ant 111-47-2

Dated, Bangalore, the 15 January 1948

The Wilson Garden Extension was laid out by the Public Works Department and was under the control of the Chief Engineer, Public Works Department. The Committee constituted in Government Order dated 10th July 1944 for considering the applications received from officials for the grant of sites in this extension did not function and when the Bangalore City Improvement Trust Board was constituted in 1945, the charge of this extension was transferred to the said Board

The Chairman of the Board reported in September, 1946 that at the time of the transfer of the extension to the Trust Board, there were only 53 sites available for disposal, besides some undemarcated land, and that on four of the above sites, six model houses have been built at an estimated cost of Rs 11,100/- It is also reported that, out of the undemarcated extent of 13,000 sq yds of land, 18 sites of 50' x 80' each could be formed.

In view of the limited number of sites and model houses available for distribution against a large number of applications

received for them, the Chairman proposed in accordance with the decision arrived at by the Trust Board at their meeting held on 24th April 1946 and 19th December 1946, the disposal of the sites as well as the six model houses built in the Wilson Garden Extension, by public auction.

Government observe that the above proposal of the Trust Board contravenes the original intention with which Government directed the formation of these sites, viz., to grant the sites to people of limited means for an upset price. If the sites and the built houses are put up for auction, the poor will have no chance and the moneyed people are sure to purchase them at high prices. They are therefore pleased to direct:-

(1) that the six buildings now erected be rented out to the employees of the Trust Board who will be chosen by lot, and
(2) that the available sites be disposed of by lots at an upset price of Rs 5/- per sq.yrd. to Mysoreans under conditions which may be detailed by the Trust Board.

Quarters for the police staff of Nilson Garden Out-Post

I have the honour to state that it was reported by the Superintendent of Police, Bangalore City that housing accommodation to the police staff of the Nilson Garden Out-Post was not available in the vicinity of the Out-Post, that it was desireable in the interest of Government were to have the staff in close proximity of the out-post and that there, the six quarters, under the control of the City Improvement Trust Board, which were vacant might be made available for the use of the Police Staff of the out-post. The Chairman, City Improvement Trust Board who was addressed to make available the quarters has replied that a reference has been made to Government on the subject and that orders of Government are awaited

Therefore request you kindly to obtain and communicate very early orders of Government to place the six quarters referred to above at the disposal of the City Superintendent of Police for providing housing accommodation to the Police staff of the Nilson Garden Out Post

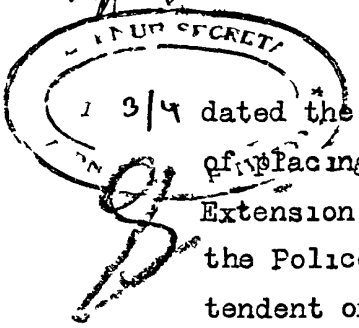
Mr. Aleem

SIR,



SUB - Quarters for the Police Staff of the Wilson Garden out-post

With reference to your letter No L 14872 dated the 25th March 1948 asking for my opinion in the matter of placing of 6 Model Houses built in the Wilson Garden Extension at the disposal of the Police Department for housing the Police Staff, I have the honour to state that the Superintendent of Police, Bangalore City, wrote in his letter No A C 356/47 dated the 18th November 1947 to say that it was found very difficult to find accommodation for the above staff, that it was desirable to house these staff near their Out-post and requested that the 6 Model houses built by the Trust Board in the above extension be made over to the Police Department for the purpose Subsequently, the Deputy Commissioner, Bangalore District, also supporting the views of the City Superintendent of Police asked in his letter dated 11-12-47 if these buildings could be placed at the disposal of the Police Department A reply was sent to him on 17-12-47 that orders of Government regarding the disposal of these houses were awaited and that in the meantime his (Deputy Commissioner's) letter under reference would be placed before the Board for consideration It was also suggested that if it was felt necessary, he might address Government on the subject It is on this he addressed the Chief Secretary to Government in the matter in his letter No C D 1-22/47-48 dated the 6th January 1948 (copy sent to me also for information)

2 Orders of Government having since been received on the 16th January 1948 that these houses be rented out to the employees of the Trust Board to be chosen by lots,

Steps were immediately taken as already reported in this office letter No G 324/47 dated the 19th March 1947 to ascertain how many officials of the Board wished to have the houses on rent basis fixing the rent at Rs 12-8-0 p m (light and water charges being extra) As none of the Board officials except one applied for the house, the Board resolved at their meeting held on 26-1-48 that the rent be reduced to Rs 8/- p m or 10% of the salary whichever was higher exclusive of light and water charges Even then, none of the Board officials applied for the house on rent basis This was placed before the Board at its meeting held on 28-2-48 for consideration along with the request of the Police Department for placing these buildings at their disposal for the use of their staff After some discussion, it was decided that the Police Department be consulted if they were willing to purchase these buildings straightaway for their Departmental use and the following resolution was passed by the Board

> "THAT the Board had no objection to make over these houses to the Police Department for Police Quarters on their agreeing to pay actual cost of the building including the value of the site

3 The actual cost of these 6 houses including the value of the sites comes to Rs 27780/ as per details appended hereto This includes the cost of installation of electric lights, water connection, drainage etc The site value has been taken as Rs 5/- a Sq Yd , the value which has been fixed by Government recently in their Order No L 12506-11/M1 111-47-2 dated the 15th January 1948 The Government has granted sites in this extension free of cost to such institutions as the Abhaya Ashram (Rescue Home) and the Uluchukamme Sabha

fg R

In the auction sale of sites originally held in 1939-40, the rate realised was between Rs 1-4-0 to Rs 2-13-0 a Sq Yd Since the quarters will be occupied by the Police, it is a matter for consideration of Government as to the rate per Sq Yd that should be charged for the

for the site if the buildings with the site all to be made over to the Police Department to which the Board is agreeable

I am sending a copy of this letter to the Inspector General of Police in Mysore, Bangalore, and the Deputy Commissioner, Bangalore District, for such further action as may be necessary
